

A historical map of a city, likely London, showing a river (the River Thames) winding through the center. The map is rendered in a blue and white color scheme. The title 'No man is an island' is written in a large, white, elegant script font across the top half of the map. The text is partially overlaid on the map's details, including street names and a river. The entire graphic is framed by a thin gold border.

No man is an island
